NOTES

*All ministers must meet with Father in the Sacristy (next to the altar) 5 minutes before mass to reflect and receive station assignments.

*We will continue to schedule 3 EMs per Mass (5 at 8:00 AM), but Father is encouraging people to think about filling 8 stations. That means if you are not on the schedule, but at Mass and willing to serve, please stop in the sacristy to offer to help out.

*When "The Lamb of God" prayer starts please go up to the altar and serve.

*All ministers should use the hand sanitizer prior to serving.

*If you are unable to cover your assigned station, you are responsible for contacting a fellow minister to cover for you.

*If you are not available for a particular weekend in June, July, or August please contact Diane Paleologopoulos at 786-6825 before May 10th.

*If a child, or adult comes up to you, but does not receive, you can give them a blessing. Put your hand over their head or on their shoulder and say: MAY GOD BLESS YOU.

*When you complete distribution at your assigned station, please look to see if you can help at another station.

Thank you.
